

BRM Relief during Sri Lanka's Continuing Crisis May 20, 2022

“Hunger is the Greatest Disease.” –The Buddha

Inflation, and shortages of food, medicine, and fuel for cooking and transportation are worsening every day. Because of the misguided ban on chemical fertilizer, farmers are reporting crop failures of almost everything, including rice, vegetables, coconuts, and bananas. With many generous donations received, Buddhist Relief Mission is networking with many temples, NGOs, and like-hearted individuals to distribute food and medicine to destitute families, monasteries, nunneries, schools and orphanages. In our next distribution, we will include children in prison with incarcerated mothers and families in which the breadwinner is in prison. Here are some of the comments from the grateful recipients and the untiring volunteers:

“I had completely run out of dry rations. I was wondering what I could cook for the children tomorrow.” –Matron of Narvodaya Boys Home for children with Down Syndrome

“Thank you for ordering so many parcels. I have not had much business, and I could not pay my staff.” –a shopkeeper in Kandy

“We were able to deliver 800 kgs of food before we ran out of petrol.” –Sylvia and Indrajith

“I delivered food to 4 poor families. One woman, a single parent with 2 kids, was almost in tears and transferred merit to donors from the bottom of her heart.” –Ven. Mettajiva
