

A Farm Project for Young Men at a Rehab Center

Buddhist Relief Mission is planning to support the reestablishment of an agricultural training program at a youth drug rehabilitation center near Kandy. This program was discontinued due to the pandemic. The center would like to restart the program, but, with the economic crisis, funding is necessary to purchase new tools and supplies. Under the supervision of a trained instructor, the forty-two residents will learn the fundamentals of gardening—preparing the soil, planting seeds, caring for the plants, and harvesting the fruit and vegetables. The exercise will enhance their rehab

program, and the skills they learn will be useful in their reentry into society. The produce will improve their diet, as well as provide a source of income for the center.

Please join us in sponsoring this worthwhile project. Your donation will help provide the tools, seeds, and seedlings for these young men to grow nutritious food and to develop their skills.
